Dear George

Thank you for your letter of the 27th of July.

Helen and I would be most happy to attend the Prescott reunion at Seelby during Easter 2002, but I am unable to commit my children and Grandchildren at this stage.

Our eldest, Louise and her husband Stephen and children Madeleine, Michael and Germaine have a Vineyard and Winery just out of Melbourne and are fully committed to the Public on Weekends and Holidays.

Catie our second child is living in London ~~on~~ with her husband Andrew and son Samuel.

David & Debbie and daughter Sophie are in Melbourne and may be able to attend at Seelby.

No doubt Brother Bill has let you know of Margaret's death and Norma and her husband Bill I believe would be likely to attend.

I presume that Dick is still on deck?

It must be well over 60 years since our ~~last~~ last contact.

I look forward to seeing you Easter 2002.

Regards John Heathcote
